Adopt-A-Charity

A Campaign of Compassion

BACK TO SCHOOL

Adopt-A-Class

Each year we will adopt an elementary classroom in the local community. We will be a "Business Sponsor" and will provide a cash sum at the start of the year to use as the selected teacher sees fit. In addition, throughout the year our employees will visit the classroom to help with special events and will provide additional supplies, snacks and gifts for the children.

Adopt-A-Highway

Volunteers will: "Adopt" a two-mile section of a state highway; follow DOT safety regulations; remove litter at least four times a year; dedicate two years to the program.

Habitat for Humanity®

Adopt-A-House

Since its founding in 1976 Habitat for Humanity has built and rehabilitated more than 150,000 houses with families in need, becoming a true world leader in addressing the issues of poverty in housing.

SANTA ROSA PREGNANCY RESOURCE CENTER

Adopt-A-Mom

The Pregnancy Resource Center offers free pregnancy testing and counseling to women in need and is run by volunteers with a heart for Mothers and their children. Classes are offered on child birth, infant care, breast feeding, and stress management etc.

Adopt-A-Family

We will provide a complete family dinner for Easter, Thanksgiving and Christmas. Also, at Christmas we will make sure that the children have clothes and toys and at Easter, baskets. A family will be provided by Families Count and/or Family Promise of Santa Rosa.

Giving back to the Community
